

**HAITI**  
The Haiti Corner

Dear donors,

If you ever wondered if your past donations to the Gesu *Gifts of Life* projects are worth your sacrifice, take a close look at the photo of this year's First Communion class at Sts. Simon and Jude in Haiti. You see healthy kids who have been cared for by nurse Virginia at the clinic, and fed daily lunches through the school lunch program that you support. We thank Fr. Roosevelt and the teachers in the school for educating these children and developing their faith life for years to come.

Please continue your loyal support for our twin Parish of Sts. Simon and Jude. This year's Mission Appeal weekend at Gesu is scheduled for September 7th and 8th. Fr. Roosevelt will speak at all the Masses, and copies of his appeal will be in the pews for reference.

Please be generous. Inflation is a major problem in Haiti and has increased the cost of food and medicines.

Thank you for your loyal support,

**Mike McCormack  
and Janet Weaver**

For the Gesu Twinning  
Committee
