

CHANGE for HAITI:

Small change in our pockets makes a big difference in the lives of Sts. Simon and Jude school children, their families, and older adults. Since 2009, the *Change for Haiti* campaign has raised thousands of dollars to help support our Gesu “Gifts of Life” projects. Your change is critical for our Haiti outreach.

- Pick up your *Change for Haiti* can at the back of church or at the Parish Center. Put in spare change, with a prayer for the people of Sts. Simon and Jude.
 - When full, return the can to the basket by the St. Jude statue, Upper Church.
- Ask an usher for a new can or pick up one in church.

The school lunch program feeds about 450 children daily, and the change from these cans also supports other “Gifts of Life” projects including food for older adults, water in the dry season, and the nurse’s salary.

Thank you very much!
Gesu Twinning Committee

Small Change Makes a Big Difference!
